

# NATIVE HAWAIIAN COALITION

February 20, 2006

## **A Letter from Your Chair Pro Tempore:**

Aloha to All Native Hawaiian Coalition Participants,

The next general meeting of the Native Hawaiian Coalition has been scheduled and confirmed for Friday, March 17 and Saturday, March 18, 2006. This will take place at the Hawai'i IMIN International Conference Center, Keoni Room, at the University of Hawai'i Manoa.

Please refer to the attached agenda for the detailed time schedule.

Those who have previously been funded by the Office of Hawaiian Affairs would still need to contact your respective Moku Representatives. An additional flyer for this meeting will be sent out as has been previously by OHA. Affordable rooming at the University of Hawaii is being looked into and information will be provided as soon as possible.

Please bring with you any notes or information that you have taken from your previous participation at a component meeting. If you are able to download the Agenda and Order of Business please make a copy for yourself and bring it, copies available at the meeting may be limited depending on the number of participants.

I look forward to our next meeting with excitement and hope. Although some challenge is anticipated, I will take advantage of the experience that lies ahead and the knowledge I will gain from many of you. All that is asked is that you come with openness and willingness to serve in whatever capacity is needed and to be an active participant as we all continue to work in a way conducive to our mission statement.

Aloha and Travel Safe,

Kau'i Torres  
*Chair Pro Tempore*
